

Newton & Noss Environment Group

Energy Fair

***Saturday 1st February 2014 - 10am to 4pm
Newton Ferrers C of E School Hall***

***Come and see & hear all about
reducing your energy costs from
simple DIY to high tech
renewables.***

***Talks include help on switching
energy company; financial
support available; what is
available to prevent draughts &
heat loss; is it worth generating
your own?***

With grateful thanks for help from: The Energy Saving Trust, Revelstoke Trust, Marchand Petit

Newton & Noss Environment Group
